'You'll read this and want to get out there and play' - Steven Gerrard

LETTER TO YOU FROM DAN FREEDMAN!

Hi guys,

I just wanted to say thank you for helping to make my visit such an enjoyable day.

It was brilliant to meet you, answer your questions and for you all to go away with your copies of *Born To Play*. I'll always remember my day with you. You had such great questions and comments and it really helps to inspire me to write more and think about new ideas too.

If you would like to get another book in the JJ series, you can order a signed copy from my website or find them easily on Amazon too. *Skills From Brazil* would be a good one to for next.

Meanwhile, keep up your reading and writing and remember to use your own experiences in your stories ... And make sure to tell me what you think of the new Jamie Johnson TV series when it comes out later in 2017.

You're the bosses so I need to know what you think!

All the best and *Go For Your Goals!*
