At St John's we aim to provide all of our students with an education which combines academic excellence with the development of the whole person, celebrating the talents of each and every individual.

THE ARTS

Dazzling drama productions, magical musical extravaganzas and wonderful workshops with visiting artists are just some of the amazing activities provided for students at St John's.

SPORT AT ST JOHN'S

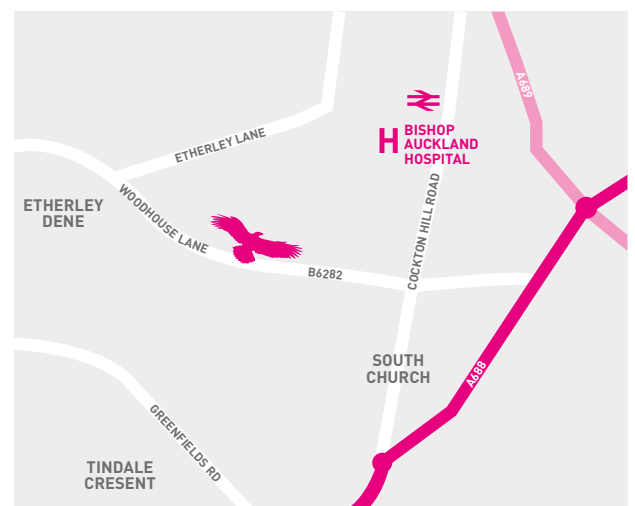

St John's has a strong tradition of sporting success at local, regional and national levels. As a school we are able to offer students a wide variety of extra-curricular opportunities. With over 20 exciting activities to choose from, including kayaking, mountain biking and street dance, there is something for everyone!

FAITH IN ACTION

Charitable work and fundraising are important parts of school life at St John's and our students are encouraged to become personally involved in helping within the local community, as well as supporting good causes on an international level. From our Lourdes pilgrimages to our annual 'Project Peru' expedition, spirituality is at the heart of everything we do at St John's.
