

For this year's production of Buggy Malone we need lots of props and costume. We want it to look as realistic and authentic 1920s as possible. If you have any of the listed items at home and you are willing to loan or donate them, please email Miss Bell (rbell@stjohnsrc.org.uk) or telephone the school. All items will be well looked after and you can either arrange for them to be dropped off, or picked up in the case of larger items.

Costume

If you are happy to permanently donate items that may be altered to fit cast that would be very welcome. If you would like your clothing returned unaltered please let us know.
